

# Black History Month

Research Assignment – Presentation Project

Save all work in a folder titled, "the name of the individual you have chosen" inside your class-network folder; for example, "Maya Angelou".

**Digital Information Technology – 5<sup>th</sup> period**

## **You will create a "Slide Presentation":**

The presentation must have 20 slides or areas and the information should be chunked into appropriate sub-topics. This presentation should be depicted like a time-line; events should appear in your presentation in chronological order. Below is a list of required sub-topics to be addressed in the presentation; however, other sub-topics may be included but are not required. Additionally, you may add extra slides and extra information but you will only receive extra credit if you are willing to present your project to the class.

Make sure to save all work in a folder titled, "the name of the individual you have chosen" inside your class-network folder; for example, "Maya Angelou".

## **Required Information:**

- **DOB, location, and early life**
- **Influences**
- **Goals**
- **Societal Significance**
- **Legacy**
