

Face Replace

Assignment

You will use an image of yourself, specifically your face, to replace into 7 "Iconic & Historical Images" listed below. You will also need to select 5 iconic & historical images of your choosing, for a total of 12 "Iconic & Historical Images".

Create a new folder titled, "**Face Replace**" and save all completed files into this new folder. Points will be deducted if finished files are in the default Photoshop file extension - .psd. Only save finished files as .jpg - .png - or.gif not .psd
