

Name: _____

Holiday & Birthday Party Invitations

Using Photoshop you will create 4 invitations:
(2) Holiday and (2) Birthday invitations.

The requirements for the invites are listed below.

You will need to create a new folder titled, "Invites" and save all your work in this folder, make sure you move all completed work to your OneDrive folder for grading.

Remember, when working the file format is **.PSD**
and the final format will be **.JPG** or **.PNG**.

Dimensions:

5.5" wide & 8.5' tall ----> 5pts

Graphics:

Border or Frame ----> 5pts

Images incorporated into invite, minimum of 2 for credit ----> 5pts

Text: ----> entire "text" portion worth 5pts

Title (examples: You are INVITED – Holiday Party!!)

Date and Time

Location

RSVP & Ph. Number

20pts per invite
80 pts for entire assignment
