

Virtual Travels

Assignment

You will use a image of yourself to place (seamlessly & with a shadow) into the 7 "Iconic American Locations" listed below. You will also need to select 5 iconic locations to also add you image (seamlessly & with a shadow); for a total of 12 locations.

Create a new folder titled, "**Virtual Travels**" and save all completed files into this new folder. Title the files according to their locations; for example, **GatewayArch.png**. Points will be deducted if finished files are in the default Photoshop file extension - .psd. Only save finished files as .jpg - .png - or.gif not .psd
